

come see what's below the surface.

at living Color we turn raw materials into beautiful interiors.

Simple yet Beautiful
A combination of maple and cherry wood,
accented with granite, lights
and open space

Designed by Christina Uribe

where the circle, square and triangle come together

Modern and Functional

Game room with stained wood,
stainless steel accents
and fabric panels

with the color of wood, steel and stone

Warm and Inviting

Lightly distressed maple wood,
a creative use of available space
for perfect functionality

... to create a sense of home

Traditional and Comfortable

Distressed maple finish and two toned cabinets
complimented with a beautiful coffered ceiling

... or maybe something a little higher

Refreshing and Tropical

Quarter cut select maple
with a blue ocean solid surface
and display panels

because below the cool surface of varnished wood
and polished stone

Distinctive Innovation

A perfect blend of wenge, stainless steel,
mother of pearl, and technology

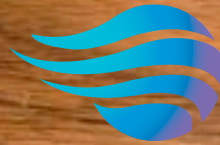

lay the solid foundation of good design.
